

Provoking Curriculum as Pedagogical Imaginaries

Darlene St. Georges (2012). *Cradle of Consciousness*. 24" x 20". Oil on canvas.

Cradle of Consciousness

Everything is put on the table:

What will you achieve?
silken rainbows
hesitant eyes
songs of the night
magical glances
distinct silences?

Everything is put on the table:

What will you feel?
presence of soil
ancient parks
delicate whispers
buzzing echoes?
